

GCBA Modelling Application

Due to the nature of bodypainting, in order to paint, we need bodies! We are therefore always looking to hire reliable, experienced models to be bodypainted for our classes, live performances and runway shows.

If you are interested in applying to become a GCBA bodypaint model, please read the below requirements. If you fit all of these conditions, we'd love to hear from you. Please fill out the form below (attaching 4 CURRENT photos) and email to makingfacesworkshop@outlook.com . Our Course Coordinator Carol will contact you.

MODELS MUST FULFIL THE FOLLOWING REQUIREMENTS:

1. You **MUST NOT** be a makeup artist, body artist, face painter or other artist. We will run a background check on this as we are extremely strict about this rule. It is not fair to the students who have paid, if other artists can gain access to the class by being a model and effectively learn for free.
2. You **MUST** be reliable and willing to 100% commit to any dates we book you for. Our students will be relying on you to be able to complete their assignments and it is extremely disruptive if a model cancels at the last minute or is late. We have a zero tolerance policy for "No Shows", meaning we blacklist those models and will never hire them again on either college jobs, or more high profile corporate jobs.
3. You **MUST** be over 18 (and be willing to provide proof if ID)
4. Females must be a C Cup or less (B Cup or less for live performances and runway).
5. Models will ideally be in good shape.
6. You must be willing to sign a model release so that we can use any photos/video for unrestricted use.
7. You must be able to pose confidently, without excessive direction.
8. You must be prepared to stand very still for long periods of time (several hours).
9. You must be prepared to be semi-naked (NB: we **NEVER** paint nudes at GCBA, we always supply briefs/gstrings).
10. You must be prepared to sign a social media ban (precluding you from posting photos of students' work online).
11. You would ideally not have large tattoos such as sleeves, large back pieces etc. (smaller tattoos are OK).
12. You must be comfortable with our rates of pay, which are \$30 per hour for in-class work (our modelling rates are higher for corporate jobs).
